Hi Karen,

Thanks for sending all of these documents. I quickly skimmed the schedule and see that it reports an alternatives description has been prepared and reviewed by the agencies. I don't recall getting a description of alternatives. Do you?

Erin Foresman

Subject: Bay Delta Conservation Plan

BDCP incoming has the potential to get confusing and overwhelming very quickly.....

Below is a detailed schedule for preparation and review of the BDCP and the DEIR/S, chapter by chapter. We will need to be selective about what we review. I'd like to focus on the kinds of things we are likely to have issues with when we receive the public DEIS for review and rating. Given the upcoming due dates, we should discuss this week. I will send around a calendar query.

In the meantime, chapters 1, 2, parts of 3 and 4 are attached below.

Last week, I circulated Chapters 4 and 6 of the BDCP (not DEIS). As a priority for our comment, these need to be lower, I think. But obviously we'll need to look at them to understand what is being evaluated.

BECT meeting still planned for Dec 8.

- KS

Subject: BDCP EIR_EIS Chapters for Review - Chp 1-4

Federico Barajas asked me to send you copies of the first batch of BDCP EIR_EIS chapters that just came out. Some of the files are large and I will send in separate emails. I will work with Federico and see if there is a more effective way to get these files to you. I wanted to get these first ones out as soon as possible. If you have any questions please let me know. Ann
